

Prophetic Word given by Glenn Thompson – January 24, 2010

I was here last Sunday, I had no idea this would be the message today. But during the service, the Lord spoke to me, by the Holy Spirit. And He said, will you tell my church how I see them. And I said, “Which church?” And He said, “This one.”

I have to tell you that what I’m about to tell you today, the Lord gave me last week. And then, I learned that you were having this message today, and there was an opportunity for the word. And the Lord gave me the word to say about “how” He views this church. It’s a wonderful thing! I can tell you that right now. You don’t have to worry.

And by the way, in wrapping up the teaching on the gifts of the Holy Spirit, Paul speaks a great deal about LOVE. So I come to you in LOVE today. And I have done what Paul said to do...to seek earnestly the best gift, so this week I have sought the best gift for you, and I am here today to mention these things to you.

This is how the Holy Spirit views this church: And literally what the Lord did with me last Sunday (and this all happened in the service) happened at the beginning of the worship time. **And you need to know that great prophetic is coming off of the worship team. Great words of the Holy Spirit are coming off of the worship. The anointing is very accelerated with the leadership of music and song up here.**

So the Lord began to give this to me. And He gave me what I would just call right now, “a word of knowledge”. The rest of it will be “a word of prophecy”. And He gave it to me like a “prophetic vision”, and here it is.

He said to me that the way I view this church, is that it is, in this city, **the western gateway of righteousness.** God deals in geography, He loves it because you’re near Interstate 40. He loves it because you’re near the western border. He views this church as a gateway of righteousness.

And He does that because you have this kind of leader, who in this hour has stood before you today, and under the anointing of the Holy Spirit, has so wonderfully taught us on the gifts of the Holy Spirit.

So He sees this church as a gateway of the blessing of the Holy Spirit. I’m using this term “gateway” over and over and I’ll tell you why. About two months ago I happened to be in a meeting with 2 businessmen in this community and an official from the state of AR highway dept. in Little Rock. What I heard in the conversation is that there are plans to put an exit/entrance ramp on this crossover. What does that mean to you? An access, or a “gateway”, something for us to pray about.

When I saw this gateway, this gateway had **two massive columns.** One of them was a large column and on the top of it were the seraphim. What does that mean? That means **praise and worship.** God through this gateway is going to draw people to Himself, to the Lord Jesus Christ, through praise and worship that is anointed by the Holy Spirit. The other massive column on the other side was the cherubim. What is that symbolic of? The cherubim sat upon the mercy seat. They were in The Holy Place, and in the Holy Place is where the **glory of God would be manifest.** You and I have been walking in the 3rd dimension

long enough. The next dimension of God is the manifestation of His Glory, where ALL men can be blessed, saved, healed, and helped.

Inside the entrance of these columns I saw what I will call a “glorietta”. In foreign countries, in traffic, they have what they call a glorietta. Two, four, six or ten streets can merge into it, and you go around the glorietta until you get on the street you want to get onto. And what I saw was teeming with thousands of people coming in the gate, around the glorietta and being directed to different places of ministry.

I’m going to stretch you a little bit today. In the glorietta there was a fountain of water. Anybody know what the fountain is? It’s Jesus Christ. Out of your bellies will flow rivers of living water. And then there was a smaller column there on this glorietta that looked like a large, tall salt shaker. I’ll tell you what that is in a minute. Then there was a smaller column, that was like a street lamp. Also inside the glorietta was a large bundle, a shock of ripened wheat that had been harvested and had been wrapped around, and bundled up. Then there was a band around that bundle, a band of money. Then looking beyond there I saw what I would call a city that is set on a hill. The first building I saw inside the gates, was what I would call the house of leadership. I saw hundreds of God called, anointed leaders coming out of this place to assist the people as they come through this gate.

So the glorietta is a circular intersection that directs you to the ministry you are needed. Folks we’ve got to become what Jesus wants us to become!

The salt shaker column is the healing, preserving, lifesaving ministries of the Holy Spirit that flow out of people in this body.

The street lamp column is the light of revelation by the Holy Spirit of Jesus Christ. And I can tell you, beginning today, this is a high water mark ... today. The message that you have preached is a “marked day”. There will be an increase of the revelation of the word of God and of Jesus Christ in this place like never before.

The bundle of ripened wheat means growth. I don’t know if you’re ready for this or not, but it’s happened. You and I will have no control over it. When the Holy Spirit works, He doesn’t get our approval. I found that out. It means growth and the other thing it means is that no one is excluded. One thing that the Lord printed indelibly upon my mind - there were no beggars at the gate and no lame people at the gate. That means they got inside and they got healed, blessed and helped.

The band that tied around this bundle of wheat was money, which means Holy Spirit, God ordained, kingdom provision. I will promise you today, that as I am speaking, with the anointing that is on me, God by his Holy Spirit is releasing a Joseph anointing in this place on some of you to become the providers of abnormal finance to do everything He’s saying we’re going to become.

(Wes explains Joseph anointing as the Lord blessing you in commerce for Kingdom purposes)

The city set on the hill has all of the above and more. As we hear, learn and obey the Holy Spirit this church will become a city of wholeness. Complete Godly infrastructure to meet every need mankind can have.

The house of leadership was the first structure I saw, meaning God doesn't do anything until the Holy Spirit has gathered the leaders for that ministry and you're in that process right now.

There are more leaders to come, but it has to come by the supervision of the Holy Spirit. Your pastor is a spiritual leader, he has a great anointing upon him, and I would just say to you, get under that anointing. The anointing doesn't flow sideways, it flows down from leadership that God has set in place. When it comes to worship, get under the anointing of this leadership and let that anointing flow down on you because it doesn't flow sideways, it flows down. Go with where this man is taking us in ministry.

Also, what I want to say about your pastor is that he's not only an anointed leader, he's a military leader. He is militant in his spiritual ministry, and I know that, because he meets weekly behind closed doors to get a strategy to go forward in ministry. We've got to have a strategy and we've got to work this strategy.

And I'd also say to you today that his wife is also a powerful, spirit-led leader. The anointing on this couple is just amazing, and she is equally as anointed as he is. And that's how He wants it.

Now, this is who God says you are to become by His Holy Spirit. This is His plan and will for you. So I beg of you today, do not take lightly the teachings, the plan, and the active move of the Holy Spirit. He is in our midst today to lead, guide and direct us by the power of His Holy Spirit. It is not by might, and not by power, but by My spirit says the Lord of Hosts. Amen.
